DR. HYSLOP TELLS OF EXPERIMENTS WITH FAMOUS MEDIUMS

SECRETARY OF THE AMERICAN SOCIETY FOR PSYCHICAL RESEARCH REPORTS FURTHER ON THE PIPPER PHENOMENA

and we had it. I took my knife and made a cut and we had the two pieces up with a bit of it. We did the same with several 10ths of a piece of paper. The last piece of paper was cut in the same manner. We also cut into pieces 2 strips of white paper. One was cut first, and the other was cut last.

[Dr. Hyslop continues his account of the experiments and the reactions of the medium.]

THE LATE DR. RICHARD HUDSON SHOWS THAT HIS WORKS ARE MARKED OUT FOR THE FUTURE.

[Dr. Hyslop discusses his experiences with the medium and the importance of further research.]

WASHINGTON FOR A "COMMUNICATION".

[Dr. Hyslop describes a communication that he received from a medium, which he details as part of his ongoing research.]

[The New York Times, June 12, 1910]
