A Little One Room Shop Earning Ten Dollars a Week Becomes Fifteen Acres of Industry Earning $30,000,000 a Year.

The Little One-Room Factory Where Mr. Johnson's Idea Began to Grow.

The original shop was not used, and the business was moved to a larger building.

The shop stands as a monument to the power of the mind.

The little shop where the idea was born.

The shop still stands as a monument to the power of the mind, a symbol of what can be done with a little imagination and hard work.

The little shop is preserved as a museum, and the story of its success is told to every visitor.

The shop is a testament to the power of the human spirit, and a reminder of what can be achieved with determination and perseverance.

The shop is a symbol of the power of ideas, and a source of inspiration for those who want to make a difference in the world.

The shop is a monument to the power of the human mind, and a source of hope for those who dream of a better future.
