WHERE SICK ANIMALS ARE CARED FOR LIKE HUMANS

Cornell Medical College Has an Animal Surgery and Dispensary Where Pets Are Cured in the Latest Approved Fashion.

"Oh, she continued, striking his arm, "little girl, do you want me to help you with your watch?"

"What?" asked the doctor, glancing at the watch on the girl's wrist.

"Yes, sir," replied the girl, "I want you to help me with my watch."

"Why do you want me to help you with your watch?"

"Because I don't know how to set it," explained the girl.

"Well, I'll show you how to set it," said the doctor.

"Thank you, sir," said the girl, "that's very kind of you."

The doctor then proceeded to show the girl how to set the watch.

"You see, the doctor explained, "the hands are for the date, the hour, and the minutes."

"Oh, I see," said the girl, "I can see that now."

"Good," said the doctor, "now you can set your watch whenever you want to.
