PLANNING TO MAKE NEW YORK A BEAUTIFUL CITY

Municipal Art Society Assembles in an Exhibition Many Suggestions for Doing Away with Ugliness and Increasing the Beauty of the Town.

The first thing that comes to one's mind when thinking of New York as the most important city in the world is its beauty. But who can say how much it might be improved by some great work of art? The Millionaire has had a beautiful work of art in his mind for years, and now he wants to do something for New York.

The exhibit, which is to be held at the Municipal Art Society of New York, will open next week. The exhibit will be held at the Metropolitan Museum of Art. It will be opened to the public on Saturday, May 4th. The exhibit will continue until May 10th.

The exhibit will include many beautiful works of art, such as paintings, sculptures, and buildings. The exhibit will also include many beautiful photographs of New York, which will give the public an idea of the beauty of the city.

The Municipal Art Society has invited many artists from all over the world to contribute to the exhibit. The artists will be paid for their work, and the profits will be used to improve the beauty of New York.

The exhibit will be a great success, and will show the public the beauty of New York that they have never seen before. The exhibit will also show the public the work of many great artists, who have contributed to the beauty of New York.

The Municipal Art Society is very grateful for the contributions of the artists, and is looking forward to the opening of the exhibit. They hope that the public will come and see the exhibit, and will be impressed with the beauty of New York.
