Albert Falck Tells of His Task of Taking the Census

City in America

For the purpose of taking this census, Albert Falck, in his official position as Superintendent of the Census, will begin work on the 1st of May. The work will be carried on in New York City, and will be completed by the 1st of June. The superintendent of the Census, Albert Falck, will be assisted by a large number of enumerators, who will work under his supervision. The work will be carried on in all parts of the country, and will be completed as soon as possible.
